

## **Rising 8th Grade Math Summer Homework**

The summer homework for students entering the 8th grade in August of 2019 will be on Khan Academy. The website is [www.khanacademy.org](http://www.khanacademy.org) and this assignment should take about 2 hours in total. All rising 8th graders should have Khan Academy accounts that they used this year in 7th grade.

Families and students can contact Ms. Tablante if they have technical difficulties:

- If students forget their usernames and/or passwords.
- If students don't have access to a computer, they can access Khan Academy on their smartphones or at the public library, or email Ms. Tablante for an alternate assignment.

If students have not joined the class they can do so by logging in, clicking coaches and typing in the coach code AS6TPDKY. **STUDENTS MUST JOIN THE CLASS BEFORE ATTEMPTING THE ASSIGNMENTS, IF THEY DO NOT DO THIS WE WILL NOT BE ABLE TO SEE WHAT THEY COMPLETED.** After you have joined the class Ms. Tablante will send the following assignments:

- Adding and Subtracting Negative Numbers
- Addition & Subtraction: Find the missing value
- Converting fractions to decimals
- Combining like terms with negative coefficients & distribution
- Two step equations
- Two step inequalities
- Negative signs in fractions
- Signs of expressions
- Multiplying Positive and Negative Fractions

**These assignments will be due on the first day of school, August 28 2019.** Students can redo the assignments as many times as they would like. The highest grade they receive on the assignment will be the grade that is recorded in the gradebook. These will all count as the first homework grade for the year.

If you have any questions please email Ms. Tablante at [ltablante@bostoncollegiate.org](mailto:ltablante@bostoncollegiate.org) or call Ms. Tablante at (503)-816-2907.

### **Tarea de Verano para estudiantes entrando a 8vo grado**

La tarea de verano para estudiantes que cursarán 8° grado en agosto de 2019 será en la Academia Khan. El sitio web es [www.khanacademy.org](http://www.khanacademy.org). Todos los estudiantes de 8° grado deben tener las cuentas de la Academia Khan que usaron este año en 7° grado. Si los estudiantes olvidan sus nombres de usuario y / o contraseñas, pueden enviar un correo electrónico a la Sra. Tablante. La información de contacto se encuentra en la parte inferior de esta página.

Si los estudiantes no se han ingresado a la clase, pueden hacerlo de la siguiente manera: iniciar sesión, seleccionar coaches y escribir el código de coach AS6TPDKY. **LOS ESTUDIANTES DEBEN INGRESAR A LA CLASE ANTES DE INTENTAR LAS ASIGNACIONES, SI NO HACEN ESTO, NO PODEMOS VER LO QUE HA COMPLETADO.** Después de que te hayas ingresado a la clase, la Sra. Tablante enviará las siguientes tareas:

- Adding and Subtracting Negative Numbers
- Addition & Subtraction: Find the missing value
- Converting fractions to decimals
- Combining like terms with negative coefficients & distribution
- Two step equations
- Two step inequalities
- Negative signs in fractions
- Signs of expressions
- Multiplying Positive and Negative Fractions

Estas tareas vencerán el primer día de clases, el 28 de agosto de 2019. Los estudiantes pueden rehacer las tareas tantas veces como lo deseen. La calificación más alta que reciben en la tarea será la calificación que se registra en el libro de calificaciones. Todos estos contarán como el primer grado de tarea para el año escolar.

Si tiene algún problema con esto, o no tiene acceso a internet o una computadora, envíe un correo electrónico a Ms. Tablante a [ltablante@bostoncollegiate.org](mailto:ltablante@bostoncollegiate.org) o llame a Ms. Tablante al (503) -816-2907.
