

BOSTON COLLEGIATE CHARTER SCHOOL
After School Sports Teacher

BCCS was founded in 1998 with a simple yet ambitious mission: to prepare each student for college. We have grown from 120 students in grades 5 through 7 to almost 700 students in grades 5 through 12.

- 100% of BCCS's graduating classes have been accepted to college. The majority of our students will be the first in their families to earn college degrees.
- In 2018, 95% of BCCS students scored Advanced or Proficient on the 10th grade ELA MCAS exam, and 95% of BCCS students scored Advanced or Proficient on the 10th grade Math MCAS. Additionally, 88% of BCCS students scored Advanced or Proficient on the 9th grade Physics MCAS exam.
- The school accepts students by random public lottery.

Current Opening

We are looking for a smart, problem-solving, self-reflective, and passionate **After School Sports Teacher** who wants to be part of a dynamic team to help continue to BUILD a school and to SHAPE its future direction. **Classes are Tuesday and Thursday afternoons from 3:15-5:15pm.** Applicants must have previous experience in athletic teaching roles and in teaching elementary/middle school students. Ideally, applicants will have teaching experience in an urban school. In addition, all of our teachers:

- believe in measuring student academic achievement in tangible ways;
- believe that data should drive instruction and that curriculum should be based on clear and rigorous standards;
- believe that everyone at a school should be held strictly accountable for their work: students, families, teachers, administrators, and Board members;
- believe we must all do whatever it takes to make sure a student learns;
- believe the best way we can instill confidence in students, and prepare them for college, is to ensure they first master a core set of academic skills before tackling higher-level, abstract material;
- believe in having the highest expectations for all students and not making excuses for them, the school, or staff;
- believe in building a positive school culture where respect, enthusiasm, effort, achievement, perseverance, community, and hard work are valued; and
- believe that for every problem, there is a solution, that if we can't find the answer immediately, we simply work longer, harder, and smarter.
