

Lower and Middle School Friendship Directory

Do you ever wish your student had a way to get in touch with classmates for homework questions or regarding missed work while they are out sick? Or, if this is your first city-wide school, are you interested in sharing your contact information so that you can better arrange carpools with other families?

If so, consider adding your name to the Friendship Directory! We are starting a Friendship Directory in Fall 2018 just for grades 5-8. All families in those grades will be invited to participate, but you should feel no obligation to do so. You may decide to share select pieces of information. We will publish and share this directory only via printed copy (not on-line) in mid-September.

Please feel free to contact Teresa Rodriguez with any questions. 617-282-6710 x126 trodriguez@bostoncollegiate.org (This list is being established to foster BCCS family friendships. It is not a conduit for solicitations of a commercial, financial, or political nature. It is not to be used for any fund-raising solicitations.)
