

**BOSTON COLLEGIATE CHARTER SCHOOL**  
**2019-2020 History Teacher Opening**  
Late October 2019-Mid February 2020

BCCS was founded in 1998 with a simple yet ambitious mission: to prepare each student for college. We have grown from 120 students in grades 5 through 7 to 700 students in grades 5 through 12.

- 100% of BCCS's graduating classes have been accepted to college. The majority of our students will be the first in their families to earn college degrees.
- In 2018, 95% of BCCS students scored Advanced or Proficient on the 10th grade ELA MCAS exam, compared with the Massachusetts state average of 90%; 92% of BCCS students scored Advanced or Proficient on the 10th grade Math MCAS, compared with the Massachusetts state average of 78%. Additionally, 94% of BCCS students scored Advanced or Proficient on the 9th grade Physics MCAS exam.
- The school accepts students by random public lottery from a waiting list of over 1,700 students.

- believe that data should drive instruction and that curriculum should be based on clear and rigorous standards;
- believe in reflecting on their performance with the desire and humility to grow in and improve upon their craft in the interest of student achievement;
- believe in having the highest expectations for all students and not making excuses for them, the school, or staff;
- believe that students, families, teachers, and school leaders should be held strictly accountable for their work;
- believe in building a positive school culture where respect, enthusiasm, effort, achievement, perseverance, community, and hard work are valued; and
